

**CIRTECH**

"Cirtech provides high-mix, quick-turn contract manufacturing solutions to a broad base of customers who demand the highest quality products. We pride ourselves on our flexibility and the ability to rapidly respond to the needs of our customers. When it comes to purchasing new manufacturing equipment, it is critical to select the appropriate technology necessary to meet and exceed our customer's expectations. After evaluating several 3D AOI machines, we selected MIRTEC's MV-6 OMNI system as the best platform to satisfy our demanding inspection requirements" - William Sirosis, V.P. of Operations
